

Early Childhood Programs...

YOUR FOUNDATIONS TEAM IS HERE TO SUPPORT YOU!

Supporting Strong Foundations for Early Childhood

HOW WE CAN HELP

Would you like to open your own early childhood program? Would you like support as an administrator, director, or teacher at an early childhood program? JI is here to help! We support **ALL early childhood programs** based on their needs and their starting point – almost always at no cost.

Supports to open a child care business, including pre-licensing training, business and programmatic coaching

Colorado Shines and PDIS applications, rating support, ECCONNECT spending, and quality improvement coaching

**Business training and coaching
Trauma-informed coaching/training**

Obtaining a CCCAP agreement

Grant availability and applications

Professional development hours, training, catalog, and calendar

Help with provider profiles, seats, matching, and business consultation
Jointinitiatives.org/UPK

Increasing enrollment through the local child care portal and search tool
pikespeakearlychildhood.org

The Foundations team at *Joint Initiatives for Youth + Families* is your local early childhood liaison, dedicated to supporting ALL early childhood programs and professionals in building strong early childhood foundations for children and families.
