YOUTH + FAMILIES REFERRAL PROCESS

PATHWAYS

The Pathways program of Joint Initiatives for Youth + Families collaborates closely with youth, families, community stakeholders, and service providers to deliver tailored services and planning that support early intervention and address complex needs for families with youth from birth to age 21 within El Paso County and the 4th Judicial District.

REFERRALS

To submit an Individualized Service + Support Team (ISST) referral for screening and wraparound services, please scan the code below or click on the button to fill out the referral form.

ABOUT THE FORM

The form is not a guarantee that we will be able to accept a youth into our programming, but we will consult our team and work to the best of our ability to determine if this is an appropriate case for us or a community partner. A Pathways team member will be in contact with whether or not the case qualifies for our programming and/or if we have additional questions or suggestions. Please complete the form to the best of your ability, and leave any unknown answers blank.
