

July 2023 FY 2023-2024 CYDC JDSAG SUPPLEMENTAL REPORT

Prepared by the Division of Youth Services (DYS)
Data Management & Analysis
August 21

Changes are coming soon to how you receive your monthly DYS population reports!

Data Management and Analysis is working to consolidate the three monthly reports into a single, comprehensive report that will provide you with all of the data points that were previously reported separately in the Monthly Management Report (MMR), the Monthly Population Report (MPR), and the CYDC-JDSAG Supplemental report.

You won't lose any of the data that were previously contained in these three reports, but will rather find them all in a single monthly report. This change will both eliminate some repetitive reporting as well as reduce the need to search different documents for DYS population data.

Please reach out if you have any questions or concerns as DYS moves toward a more efficient method of monthly population reporting.

¹ Maximum youth served is the highest number of youth in detention on a single day during the month or fiscal year.

² Regional figures are not the sum of judicial districts, but represent the maximum count on one day for the entire region.

³ State figures are not the sum of regional figures, but represent the maximum count on one day for the entire state.
