

YOU'RE INVITED TO

THE FAMILY FRIENDLY CITY SUMMIT

Focusing on Early Childhood Solutions for Businesses

The Summit is convening early childhood providers on a Saturday to provide the greatest opportunity for engagement. The Saturday meeting follows a meeting two days prior on Thursday when more businesses could engage. The Saturday meeting will provide an opportunity for early childhood providers to review the ideas that came out of Thursday's meeting and add your own.

You will be asked to lend your expertise to explore and prioritize strategies.
