

## UNIVERSAL PRESCHOOL UPDATE

11.6.24

### PURPOSE

This document offers Universal Preschool updates to local providers.

### QUALITY STANDARDS

**The deadline to submit your Expenditure Report for the 2023-24 year has been extended to December 15.** CDEC has stated that the guidance for reporting is being finalized and should be released soon. Keep an eye out for the guidance from CDEC and know that we will also post it on the UPK page at [www.jointinitiatives.org/upk](http://www.jointinitiatives.org/upk) when it is released and will include it in one of our weekly emails.

### FAMILY REGISTRATION

Family registration starts on **December 17** for all families, including those who do not qualify for pre-registration. We have not been told if there will be a link this year for you to send to families for the program where they have priority but will get that information to you as soon as we know. Pre-registration runs from December 17 to February 3.

JI will do a November/December round table in early December to answer any questions you may have about family registration or anything else on your mind. The date will be announced soon.

### CREATING A UPK PROFILE | VIRTUAL TRAINING

Please also remember that we are holding a virtual training on how to create a great UPK profile for anyone who wants tips or ideas to help market their programs for families. It will be held on **December 5 at 6:00 pm via Zoom**. The link will be available on the UPK page as well as in a future weekly email.
