

Fingerprinting

Due to changes implemented by the Colorado Bureau of Investigation (CBI), the Colorado Springs Police Department (CSPD) will no longer offer non-criminal fingerprint services to the general public. The service must now be obtained through [IdentoGO](#).

Here are the steps to follow:

- Visit: identogo.com/locations/colorado
- **Under Enrollment Services, you must select Digital Fingerprinting.**
Important note: Selecting the IdentoGO Colorado Location Listing from the top bullets will only bring up a list with general locations. (More on locations below.)
- **Enter Service Code 25YJ15 for DHS-Licensed Childcare/Camps/Adoption/Family Child Care Home.** This will take you to the page for scheduling an appointment [HERE](#).
- **From the appointment scheduling page, you will be asked for information to complete the process.** You may find out what ID documents to bring to the appointment or find locations. *Important note: From the appointment scheduling page, there's only an option to "cancel" if you want to go back and select another option such as looking up ID documents or locations. This means if you've entered info to schedule an appointment and decide you want to look up ID information, it's not going to save your info and you'll have to enter it again.*
- **Locations/Hours [HERE](#).** Enter your ZIP code. The Colorado Springs locations are below, but they also have Calhan, Canon City, and Pueblo.
